

Quiet. Set. Go.

Listen to your body perform, clear your mind and welcome new ideas. Delivering clear undistorted sound, through their dynamic drivers, the AKG N200A Wireless headphones provide the motivation you need for your next workout. Engineered to be Waterproof and Splashproof (IPX7 rated), the AKG N200A Wireless are perfect for the gym and all-weather outdoor activities. The AKG N200A Wireless headphones include a host of other features that deliver an all new level of convenience. With the new Ambient Aware Technology, you can select to be fully immersed in your music (Ambient Aware off) or to be aware of your surroundings while listening to music (Ambient Aware on). TalkThru Technology lowers the music volume level while simultaneously amplifying speech so you can easily chat with your workout partner between sets. Compact and lightweight, the AKG N200A Wireless headphones are also designed with interchangeable ear tips for perfect fit and they also feature interchangeable silicon ear hooks for security. A reflective cable provides low light visibility and the earpieces have an integrated magnet that allow you to rest the headphones around your neck when not in use. In addition, multi-point connectivity ensures you never miss a call while the 8-hour battery life, keeps the musical motivation going throughout multiple workout sessions. Performance and features rich, the AKG N200A Wireless headphones have all that is needed to keep the motivation high and the inspiration flowing.

FEATURES

- ▶ AKG Reference Sound
- ▶ Ambient Aware and TalkThru Technology
- ▶ Waterproof and Splashproof design
- ▶ 8 hours of battery life with speed charge
- ▶ Comfort-driven design
- ▶ Designed for Samsung
- ▶ Multi-point connection
- ▶ Hands-free calls and music control
- ▶ Made for Sport

FEATURES AND BENEFITS

▶ AKG Reference Sound

Producing deep, accurate bass and rich, full bodied midrange, AKG's award winning sound lets you appreciate every detail and nuance of your favorite songs. AAC codec support allow lossless wireless sound quality.

▶ Ambient Aware and TalkThru Technology

Be tuned into your surroundings with two sound modes. TalkThru mode attenuates the music level and activates speech-optimized mics so you can easily talk with your friends without removing your headphones. Ambient Aware mode amplifies ambient sounds, so you are more aware of your surroundings. These features can be controlled with the touch of a button.

▶ Waterproof and Splashproof design

With their IPX5 and IPX7 rating, you can take every workout to the max without fear of sweat or wet weather ruining your workout and headphones.

▶ 8 hours of battery life with speed charge

Provides enough musical motivation for even the most extended workouts and can be quick charged in ten minutes for an additional hour.

▶ Comfort-driven design

Designed to be comfortable even during long training sessions, the AKG N200A Wireless are lightweight and equipped with interchangeable ear tips allowing you to select the right size for you. Plus, the silicone ear hook ensures they fit securely in your ear.

▶ Designed for Samsung

AKG N200A Wireless have everything you need to optimize performance with your Samsung devices, as they feature UHQ codec support for high quality audio; easily connect to Bixby virtual assistant and MDE to seamlessly connect to the Samsung ecosystem.

▶ Multi-point connection

Allows you to effortlessly switch from one Bluetooth® device to another. You can simply switch from a video on your tablet to a call on your mobile phone. Never miss a call again.

▶ Hands-free calls and music control

The 4-button universal remote with microphone allows hands-free management of music and calls.

▶ Made for Sport

The high quality reflective fabric cable improves your visibility in the dark and the integrated magnet allow your N200A's to rest around your neck when not in use.
